## A Word From Our President

We are definitely beginning to see and hear how fed up people are with the current administration and with everything that is going on in Washington especially the healthcare!!! We all have to "hammer" away on the phones and let them know that this is not what the people want!!!! Keep calling!!

**White House Comment Line:** 1-202-456-1111 (leave a message for the President)

**Senator Feingold:** Washington DC 1-202-224-5323 or his local office: 1-414-476-7282

**Senator Kohl:** 1-800-247-5645

When you are calling tell them you want your messages relayed to the Senators.

And while you are at it, don't forget Governor Doyle – 1-608-266-1212

We all need to make sure our voices get heard!!!

## NFRW Convention-Sept. 10-13, Orlando

The National Federation of Republican Women convention will be held in Orlando, Florida on September 10 – 13, 2009. This year, our very own Sue Lynch from LaCrosse is slated to be the next President. This will be the first time we would have a President from Wisconsin. The conventions are very exciting and it is great fun to network with like minded women from across the country. If you are interested in attending, you can check out the NFRW website for information. The website is: [www.nfrw.org](http://www.nfrw.org). To look at member's

information...The user name is: federation and the Password: 1938nfrw. You can look at the hotel as well as other convention information. Please contact Kathy if you are interested (262) 628-3500.

## WFRW Convention-October 16-17

Our WFRW convention will be held at the Country Springs hotel in Waukesha. The agenda has not been finalized, but we are looking at workshops beginning on Friday afternoon and an evening dinner followed by a special reception. The official convention business will begin on Saturday morning .... an awards luncheon at noon featuring a keynote speaker. There will be more workshops after lunch. These workshops will provide the training to help us take back this state and hopefully our country in 2010. We must begin to prepare for the "fight of our lives." Together, we build the strength to accomplish this goal, but we must all become part of the revolution!

## Hot Off The Press-A Conservative Newspaper!

Hometown Publications (Express News) will begin publishing a "conservative" newspaper beginning Labor Day. The name of the paper is "**The Observer**". It will be a free paper and begin in three counties – Washington, Waukesha and Milwaukee. Spread the word, talk to business people to help support this paper by perhaps taking ads, etc. Finally, we'll be able to get "our message" out and expose some of the devastating legislative bills at the local, state and federal levels.

## Caring For America

I would like to again thank all of you who have donated either items or money for our gift boxes for the troops. We have been able to send quite a few boxes over the past few months, which has depleted my supply of snacks and such, so I am finally again in need of that type of items. We would like to have an official "shopper" for some of the things that we need to send, so if you are interested please contact Carolyn (334-3658) or Kathy (628-3500). Also, I would appreciate an update on the status of any serviceman whose name you have given to us, as I am aware of a few that have returned from overseas. We will be sending out a list of the names that I have been given, but if you are aware

of any changes prior to that list going out, please contact Kathy or me. I know that our "Washington County Heroes" appreciate all that we do for them.
