

DECEMBER 2008 NOW NEWS

WASHINGTON COUNTY REPUBLICAN WOMEN

A Word from the President

Though the election did not go as we had planned, I want to say “thanks again” to all who helped out. From doors, to phones, to manning both our offices and for all the delicious “goodies” from our bakers!!!! THANK YOU!!! Washington County has much to be proud of!!!! We worked hard and it paid off with Washington County being the top county in Wisconsin with the highest percent votes for McCain. Thank you so much!

There is definitely a “**positive**” that came out of this election though. We had so many young people helping out by doing doors and phones. And then during the evening of the election, the formation of the Washington County Young Republicans began!

Since that evening and under the guidance of the county Party and the Women’s group, they are off to a great start!!! They have had 2 meetings and even had a float in the West Bend Christmas Parade. Their goal of course is to have members from all the high schools in Washington County along with students from UWWC. The age of the Young Republicans will range from 14 – 25 years of age. If you know any young like-minded Republicans contact our office and we will put you in touch with this dynamic group!
